30th Anniversary Mass St. Thomas More Catholic High School

On August 15, 1983 St. Thomas More Catholic High School opened the doors for its first mass with Bishop Gerard Frey serving as the celebrant. Thirty years later, on the exact same day, we celebrated our first school mass of 2012-2013 with our Chancellor, Fr. Louie Richard as the celebrant. Many things have changed over the years, and some have remained the same. Some of the things that have not changed are the five teachers that started in 1983 and are still here 30 years later. Those five teachers are Danny Broussard, Belinda Edwards, Cinde Sulik, Terry Tidwell, and Doug Taylor. These five were asked by Fr. Louie to come up with some highlights that he could use in his sermon and here are their responses.

- There was plenty of holy water to go around at that first mass. The only problem was that it was leaking from the roof!
- Ambassador Caffery was a two lane road named New Flanders Road and the only buildings past the bridge were Women's & Children's Hospital and STM.
- The nearest eating establishment on Ambassador Caffery was a Burger King near Bennigan's, so most teachers ate in the cafeteria or brought a lunch.
- When the bridge was up, which was quite often back then, you had to re-route through Milton to get to STM.
- In 1983, Fr. Richard Greene said in one of his sermons that STM would be the "epicenter of Lafayette," and the audience laughed.

- Mrs. Stephanie Stevenson '83, current STM math teacher, was selected as the first STM Homecoming Queen.

- In 1986, due to dwindling enrollment (585 students), teachers took a pay cut and rumors were flying that STM would close its doors the following year.
- In 1996, we purchased the 20 acres of property adjacent to the school.
- In 1998, the second gym and the 800 wing were built to accommodate STM's growing enrollment. The first home game was played in Cougar Stadium.
- One year we played our home football games at Vermilion Catholic, New Iberia Sr. High, and Comeaux High because Clark Field was not available.
- Another year, we played our homecoming game at Beau Chene High School because it was the closest field available.
- Margo Comeaux, Judy Domingue, Tina Moss, Rita McGrath and Brother Ephrem Hebert, STM faculty members, passed away during their tenure here.
- In 1988, STM was selected for the third time as a Blue Ribbon School of Excellence.
- Coach Doug Taylor still does not have a cell phone!

St. Thomas More's very own MacKenzie Bourg '11 hit the stage on September 11, 2012. That stage was in front of millions of viewers during primetime television on NBC's *The Voice*. As a contestant showcasing his amazing talent, he put his own creative spin on a pop song and the studio crowd rose to their feet in applause. Halfway through his song, Celo 'hit the red button' and selected MacKenzie to his team. This meant MacKenzie moves on in the nationally televised contest.

Meanwhile, most of Lafayette and south Louisiana was watching and cheering as we witnessed the humble former student-athlete and campus minister belt out his rendition of 'Pumped Up Kicks'. NBC's shots of MacKenzie's family clapping and laughing reminded us all of the wonderful culture of friendship and family we share in south Louisiana.

The following day, MacKenzie returned to the halls of STM to say hello and to give back. And herein lies the story, that the rest of the world has yet to hear, but that those of us back home were blessed to experience. MacKenzie's first public appearance following the national airing of his audition was for STM Campus Ministry's 8th Grade Retreat put on for Cathedral Carmel. MacKenzie agreed, on a spontaneous request from Coach Strother, to share his deeper testimony of how he fought through his illness and made it to this point of his music career. Before coming up on stage at the retreat, Coach Strother asked the 8th

graders if they watched 'The Voice' the night before. Nearly everyone raised their hands. Then he asked, "How many of you saw MacKenzie Bourg's performance and heard his story?" Again, almost everyone, with a gleaming smile, raised their hands. Finally, Coach Strother said, "How neat would it be if he came here today to share his heart and voice with you...". At this point, MacKenzie took the stage and the students couldn't believe he was actually there with them just 15 hours after his appearance on national television.

With the crowd's attention and eager ears, MacKenzie impressed every heart as he testified to the power of God and his faith. MacKenzie emphasized that God can take us through anything and that we need Him in our life. He followed this beautiful sharing with his personalized

version of 'Amazing Grace' as students listened and reflected on his words and song.

This flourishing artist and STM graduate continued to give back to his school. He returned to STM the same night and joined the STM Campus Ministry Praise Band for the kickoff Light Night.

Our STM community is so proud of MacKenzie Bourg. He is a gifted musician and even more impressively, an awesome young man of God. His faith shines bright and his heart returns him to his home to share the joy of God's blessings in his life. Good luck and God bless the rest of your journey, MacKenzie. We will be cheering you on as you chase your dream and share your 'Heart' with the world.

1st STM Alumni Luncheon

It took 30 years to happen but on October 1, the first STM alumni luncheon took place in the Cougar Den on the campus of St. Thomas More Catholic High School. Over 50 alumni ranging from the class of 1983 to 2003 gathered for a luncheon to discuss a broad range of topics including homecoming activities, alumni events, and the 2012 Annual Appeal. The focus, however, was on revitalizing an Alumni Association.

Based on our initial meeting, the consensus was that we appoint a board immediately for this year. This appointed board will work on issues such as by-laws, constitution, alumni events, etc. Next year we will be able to start with a full head of steam and elect an Alumni Association Board for 2013-14.

We also discussed hosting four networking luncheons per year planned in September, December (most are home for Christmas visiting parents, so this might be great for out of town alum), March, and July. It was suggested that the December luncheon be held during the Sunkist Shootout, which is usually the day after Christmas. The March and July events would be held off campus in the evening to allow more participation. Thanks to Amy Jones '92, who volunteered to host a crawfish boil for us at her office on the Vermilion River.

We have identified several areas of concentration and formed the following committees. Please consider serving on a committee or volunteering for a specific event by emailing danny.broussard@stmcougars.net.
